Medihire
& SALES

Independent Living Solutions

Welcome to Medihire & Sales.

Helping you to live safely and independently.

For self-esteem and happiness, remaining independent and active is precious to us all. By enhancing your ability to perform daily activities, our mobility products and home care aids will help maintain your sense of self and personal freedom.

After 22 years supplying the WA community, our goal hasn't changed: to offer excellent customer service combined with quality products. Our mature, caring staff will always match the right equipment to your needs.

Even more, our "try before you buy" demonstration option ensures that what you choose is correctly fitted and/or installed properly in your home.

Not every product we stock is shown in this catalogue. So if you don't see what you need, please call us, check our website, or visit one of our 4 Perth Metro stores. We look forward to assisting you in the future.

The addresses and maps for each of our 4 stores are on the back cover of this catalogue.

DVA.

Allianz Global Assistance
appointed supplier and
service partner for WA.

Medihire & Sales are delighted to announce that we have been appointed as a supplier and service partner of Allianz Global Assistance for the WA region. Allianz Global Assistance are nationally contracted partners for the provision of product and services for the DVA, RAP (MFS) program. To ensure our provision of equipment, please ensure the DVA MFS Direct Order form indicates Allianz Global Assistance (tick box) & Medihire & Sales Equipment as your preferred equipment provider.

Allianz 

Global Assistance

We can make life easier for you.

In-home demonstrations and hire before you buy options available.

For scooters, power chairs and recliner-lift chairs, you can hire first. Or ask for an in-home demonstration prior to purchase. That way, you can be sure the product fits snugly, and operates safely, before you buy.

Our recommendation is to always test that a recliner-lift chair extends properly (unimpeded by other

furniture or objects) within the space you have selected for it.

Rest assured, our experienced and friendly staff will always give you the best advice. We ensure your new purchase works properly and is situated in the safest and most appropriate operating-space inside your home.

All Scooter and Power Chair service and repairs.

Medihire & Sales has factory-trained technicians to provide warranty work, regular service or repairs to all makes and models of scooters, power chairs and most mobility equipment. We can pick up and deliver for jobs requiring in-house workshop maintenance and repair, or replace parts on-site at your home: depending on the nature of work required – and all at very reasonable rates.

Registered NDIS Provider.

If you're eligible, we can assist with all you need.

We offer prompt home delivery and installation.*

We can deliver all products directly to your home, ensuring they are professionally installed and working to your complete satisfaction. We take pride in our work and always ensure that you're comfortable and happy with your new purchase.

*Delivery charges apply.

Including fitted head and armrest covers. Available in matching fabric.

***WALLSAVER MECHANISM**

The chair moves forward on its base before reclining, thus reducing the space needed between chair and wall.

Medihire & SALES

Independent Living Solutions

Continence Products.

Do you feel embarrassed or anxious when you laugh, cough or bend over in case you have an “accident”?

You are not alone with these problems - nearly one million people in Australia suffer to some degree from bladder or bowel incontinence.

If you are experiencing these difficulties or are caring for someone who does, help is available through your doctor, your local continence nurse or the Continence Foundation Helpline Tel: 9386 9777.

While you are seeking professional help for this condition, MEDIHIRE &

SALES has a comprehensive range of continence products and underwear that may help you through a difficult time. These products provide you with the highest possible protection, comfort and peace of mind.

Call into one of our stores or ring and make a time to discuss your personal requirements. Our caring staff (male and female) will discreetly help you select what is most suitable for your needs.

Use for Slight / Medium Urinary Incontinence.

Pads can be worn in the underwear you have.

Incontinence Pouches for Men.

For the management of slight urinary incontinence in men who are mobile and active. Other styles available.

Pull-on Disposable Brief.

Suitable for urinary and faecal incontinence. Suitable for men and women.

All-in-one Incontinence Pad.

With side tabs suitable for patients with severe urinary and faecal incontinence and also provides for restless or highly dependant patients.

Are you eligible for finance assistance?

The Australian Government has a scheme (called CAPS), which provides a payment to assist people to meet some of the costs of their continence products. If you are eligible, you need to complete a CAPS application form, and your health professional must complete the Health Report component. The application must then be returned to Medicare Australia. For further information, call the following numbers:

Medicare Australia: 13 20 11

National Continence Helpline: 1800 33 00 66

Problems with Ageing Skin?

Our skin is the body's largest organ and is extremely important in maintaining your health and well-being. It acts as a barrier against bacteria and fungi, protecting you from infection and disease. Our skin also

maintains important fluid levels inside the body and regulates temperature.

As our skin ages, the outer mantle gets thinner and does not regenerate as fast. Small cuts and abrasions therefore occur more easily and take longer to heal. Less epidermal fats are produced leading to dry and often itchy skin. With the outer layer of skin unstable it leads to a weakened defence against infections.

Medihire & Sales carry a range of continence products from major global suppliers such as Hartmann and TENA. They can assist in the maintenance of skin integrity because they are dermatologically tested and clinically proven as hypoallergenic.

Fixation pants.

With long leg for extra support and comfort.

In Your Dreams.

**DIDN'T FIND WHAT YOU
WERE LOOKING FOR?**

Not all of the products that we stock are shown in this catalogue; there are literally hundreds of other items in-store for you to see. If there is a product that you want that we don't have in stock, we will always do our best to get it for you.
